GOD MADE
THE WORLD

God made the world with his own hands—
The sun, the sky, the trees, the lands.
God made the animals, birds, and fish—
Some run, some fly, and some go *swish*.
God made the bears, the bugs, the bees.
God made the butterflies and fleas.
God made man. He made woman, too—
Every person, including YOU!

GENESIS 1:1-31

ADAM AND EVE

The first man, Adam, laughed every day.
God gave him a garden where he could stay.
He named the animals one by one.
His job was big, but he had lots of fun.

The first woman, Eve, said, "Let's not obey."
"Okay," said Adam. It was a sad day.
Pleasing God had made both of them glad.
Not pleasing God made them both feel bad.

GENESIS 2:8-3:24

NOAH

Giraffes and lions, zebras and monkeys,
Elephants and ostriches too,
Drifting in their cozy cabins
On old Noah's floating zoo.

Feed the elephant. Pat the lion.
See the dove so sweetly flying.
Smile at the zebra. Comb the giraffe.
Wave at the monkey that makes you laugh.

GENESIS 7:1-9:17
