101 Color & Sing Bible Stories

READ IT! COLOR IT! SING IT!

Welcome to the adventure! Truly it is! As you begin using *101 Color & Sing Bible Stories*, you'll notice that it's a little different from other children's books. Why? This book has been uniquely designed to get kids excited about reading these timeless Bible stories and exploring them in a whole new way.

We began by creating an engaging Bible storybook that's easy to read, with over 100 incredible illustrations. But that was just the beginning! We then took each illustration that appears in the book and converted it into a line-art coloring book image. This way, kids can look at the full-color illustrations in the book and enjoy coloring them in their own special way. And as they color, they can sing along with 101 favorite Bible songs—one to go with every single story—all contained on the CDs included.

Watch as your kids interact with the Bible like never before. Now they can READ about creation . . . COLOR a picture of creation . . . and SING about creation . . . all with this one amazing book! We hope you will enjoy this wonderful new expression of God's love for children!

READ IT! COLOR IT! SING IT!

How to Use This Book

1. At the beginning of each story, find the disc and song track number indicated at the top of each story page.
2. Insert the CD-ROM into your computer.
3. Print out the coloring pages.
4. Listen to the songs! You can download a handy index to all the songs at www.share-a-hug.com.

God Creates the Heavens and the Earth

COLORING PAGE

Find it on the green disc!

FUN FACT

Did you know that God's tallest mountain is Mount Everest? It is 29,029 feet tall!

READ-A-LONG

Genesis 1:1-13

In the beginning, there was only darkness. But everything changed when God said, "Let there be light!" Suddenly on that very first day, God created every color of the rainbow! On the second colorful day, God made the beautiful blue sky. On the third day, He made the tall green mountains, the rich brown earth, and the deep blue sea! Everything God made was good.

SING-A-LONG

God Created

In the beginning, God created
The heavens and the earth.

God Creates All Living Things

COLORING PAGE

Find it on the green disc!

FUN FACT

Did you know that giraffes are the tallest animals that live on land? They can grow to be 18 feet tall! That's as high as a two-story house!

READ-A-LONG

Genesis 1:11-25

On the third day, God made all the plants and trees with leaves in every shade of green. He even made trees with oranges, apples, and bananas. Then He made flowers in every color you can imagine. On the fourth day, God made the bright yellow sun, the silvery moon, and millions of twinkling white stars. On the fifth day, God filled the oceans with fish—red fish, green fish, and even rainbow fish. He made the blue birds and orange butterflies, too. On the sixth day, God made all the land animals. Everything God made was good. But He wasn't finished yet!

SING-A-LONG

In the Beginning

Day five, He made the sparrows
And every bird that flies

And all the creatures in the sea—
God made them on day five.

God Creates the First Man

COLORING PAGE

Find it on the green disc!

FUN FACT

Did you know that God made Adam out of dust?

READ-A-LONG

Genesis 1:26–2:15

After God made all the plants and animals, God made His greatest creation: the very first person. The man's name was Adam, and God was VERY happy with what He had made! God loved all His creation, but He loved Adam in a special way. Adam was made in God's own image! God put Adam in a beautiful garden called Eden. It was a perfect home with everything he needed. God gave Adam work to do. His job was to take care of the colorful garden God had made.

SING-A-LONG

I Am Wonderfully Made

I praise you because
I am fearfully and wonderfully made.
I am a miracle heaven has made—

Glorious miracle.
That's why I praise my Father
in heaven!
